

## Summer Reading

Dear Students,

This summer you will be asked to complete a reading log for your summer reading. Your goal is to reach 1,000 minutes of reading by September 6<sup>th</sup>, 2019! You can reach this goal by reading about 20 minutes each day. You may read more or less minutes each day, but the goal is to reach that 1,000 minute mark or more! You will be provided with a book from school to read. You may also read books you currently have at home, go to your local library or book store, or read on EPIC (EPIC is offering a free 30-day trial!). Please make sure to record your daily reading on the log below. Please review the sample, to ensure you are filling out the chart correctly. You will bring this log, along with your writing assignment and the book you were given, back to school in September. We look forward to meeting you in September! Happy Reading!

Love,  
Your Future Fourth Grade ELA Teacher
